

Hi! My name is Bohdan Imiela

I'm a beginner Web Developer and a successful drummer.
I feel most confident in dealing with front-end technologies
but I'm not afraid of back-end related issues too.

Developer experience

🕒 soon...

Web Developer in your Company

🕒 10.2019 - 01.2020

Mentor - CodersCamp web development course. CodersCrew Association.

I was supporting learning process in team of 8 course participants. With my assistance they build 3 individual projects and 2 team projects.

🕒 06.2019 - 10.2019

Participant - CodersCamp web development course. CodersCrew Association.

During the course I have opportunity to learn and use in real-life projects technologies and tools such as: Figma, GIT, HTML5, CSS3, SCSS, JavaScript (ES6), React, Redux, npm, Webpack, Babel, Node.js, Express.js, MongoDB.

Course completed with distinction.

🕒 05.2019 ...

Self-study and personal development.

I develop private apps to practice and broaden knowledge gained in the process of self-study.

Completed courses:

The Web Developer Bootcamp (Udemy) - HTML, CSS, Bootstrap, JavaScript, Node.js, Express, Mongo.DB.

Modern React with Redux (Udemy) - React, Redux.

Node.js: The Complete Guide to Build RESTful APIs (Udemy) - Node.js, Express.js, MongoDB, TestDrivenDevelopment.

TypeScript Fundamentals (Pluralsight);

Computer Science Path (CodeCademy) - Python 3, Command Line.

Web Development Path (CodeCademy) - HTML5, CSS3, JavaScript(ES6), React, SQL, TDD.

Responsive Web Design (freeCodeCamp) - HTML5, CSS3, RWD.

Courses in progress:

Advanced React and Redux (Udemy) - testy, HigherOrderComponents.
